

We do this because if not us, who? We are but a drop in the ocean but every drop has value. Our actions may be small but the ripple effect continues. We see these children growing and thriving year after year. Children who began the program with physical symptoms of malnutrition are now gaining strength and are now filled with pride at their academic achievements.

**This is our 'WHY'.**

Nourish Every Child is a 501c-3 and all donations are 100% tax deductible in the US. Our EIN is 81-4661578.

*“Education is the most powerful weapon which you can use to change the world.”*

-NELSON MANDELA

*Your support is integral to the success of our mission.*

We provide education and nutrition, one child at a time, breaking the cycle of poverty and providing them with hope for a full life. Each child is carefully selected and **registered in a government approved educational center with certified educators** and provided a nutritious mid-morning snack and mid-day meal. For most of the children it is the only meal they have all day.

Many families are faced with the impossible decision of placing their children in orphanages because they cannot afford to feed them, let alone educate them. Our organization aims to support these families by providing scholarships to impoverished children, including school tuition, uniform, books and a meal a day.

**These seemingly small scholarships have an enormous impact allowing families to stay intact.**

\*Funds donated are applied directly to the education and nourishment of the children in the program. There is NO middle-man; not a penny is wasted.

## Gold

\$1,100 reoccurring donation

Supports 3 students annually with:

- School tuition
- Uniform
- Morning snack
- Nutritious lunch
- Clean water
- Summer Nutrition Program

## Silver

\$400 reoccurring donation

Supports 1 student annually with:

- School tuition
- Uniform
- Morning snack
- Nutritious lunch
- Clean water
- Summer Nutrition Program

## Bronze

A donation in any amount goes to our General Fund.

## SUMMER NUTRITION PROGRAM

Especially during the summer break, our scholars struggle with food insecurity, lack of access to clean water, and chronic malnutrition, leaving our scholars at a significant disadvantage in terms of growth and development. Thus, we are honored to be able to offer a summer nutrition program for our NEC students.
